DAY 3: MANÍ – UXMAL

At the agreed time, your guide will be waiting for you at the hotel lobby to continue your tour.

TOUR TO THE VILLAGE OF MANÍ & THE UXMAL ARCHOLOGICAL SITE (Full day experience)

We will start the day by heading to the town of Maní, a magical land that traces the beginnings of its name to the Mayan language & Place where everything happened, When the Spaniards arrived in Yucatan, they found that in the northern lowlands of the peninsula there were at least 18 and cuchcabal; or political centers. In 1547, seven Franciscan friars, among them Fray Diego de Landa, went southeast of Mérida to evangelize Maní, where they founded the third Franciscan headquarters. With the help of the indigenous people, they began the construction of a convent, with an open chapel and a school for Indians, which became one of the most important convent complexes on the peninsula. We will make a stop at the restaurant and Prince of Tutul Xiu for lunch, one of the most renowned restaurants of traditional Yucatecan food.

We will continue our day in the impressive Mayan city of Uxmal. It is undoubtedly the most representative settlement of the architecture of the Puuc Region. Here the facades are decorated with masks of Chac, the Rain God, fretwork, hieroglyphic panels, and high crests. Its amazing palaces will take your breath away as we tour the site in the company of a specialized guide who will take us back in time.
Finally, transfer to the city of Merida.
